

## TAKE CHARGE OF RISK ACROSS YOUR ENTERPRISE

### UNDERSTAND THE IMPACT OF ALL OF YOUR RISKS – AND BETTER CAPITALIZE ON OPPORTUNITIES.

When it comes to risk, what you don't know can hurt you. Anything that could affect performance – including intangibles like reputation – should be recognized and treated as a threat. If you aren't able to put all those pieces together and assess risk at a strategic level, you could be in for some costly surprises.

#### GAIN A NEW PERSPECTIVE ON RISK

Riskconnect's Enterprise Risk Management solution helps you anticipate, assess, mitigate, and monitor every form of risk from every corner of the organization. The software brings together all risk-related data into one place for a complete view of your risks, how they relate, and the cumulative impact on the organization. You can:

- Minimize risk – and take advantage of opportunities.
- Update all risk-related data in one place at one time.
- Build a risk culture by involving people at all levels and functions.

Aligns risks and controls with your strategic objectives.

Illustrates all of your risks – and how they interrelate.

Provides one source of truth for all threats.

# ENTERPRISE RISK MANAGEMENT

## ELIMINATES SURPRISES

- Consolidates all risk-related information in one, easily accessible place.
- Tracks the status of risk assessments and notes changes to key indicators.
- Maps risks to visually show how they interrelate.

## PRIORITIZES ACTIONS

- Streamlines workflows, which frees up time for more strategic tasks.
- Shows the magnitude of each risk so you can focus your response.
- Sends automatic alerts when a risk indicator has crossed the threshold of acceptability.

## SIMPLIFIES COMMUNICATION

- Establishes a common risk language throughout the organization.
- Includes a range of prebuilt reports – which can be easily customized with a drag-and-drop report builder.
- Automatically sends reports to keep stakeholders informed and involved.
- Communicates risk status quickly and effectively through highly visual dashboards.

Riskconnect can help many different departments with a wide variety of tasks. It's making risk management a much more strategic contributor to the company.
