

Vast data resources and insights at your fingertips

Improve investigation efficiency by harnessing the power of 65 billion records.

Market-leading technologies and premium information sources help leading insurers nationwide increase efficiency, productivity and profitability.

How are we different?

- Advanced analytics for identity verification, linking and risk decision-making
- Proprietary content and technology advantages for the claims market
- 37+ years of deep industry knowledge and expertise
- Seamless integration into critical customer workflows

Use LexisNexis® Accurint® for Insurance to:

- Validate and verify customer-provided information
- Help resolve claims
- Detect, investigate and prevent fraud (including rate evasion)
- Subrogate for collection/recovery

Comprehensive yet affordable

- Industry-leading, value-added, publicly available record-related searches, with access to national and international news and other sources that reveal connections among people, businesses, assets and locations that can't be found in public records
- Proprietary property and casualty claims-specific content and searches with LexisNexis® Carrier DiscoverySM and LexisNexis® Claims DiscoverySM
- Exceptional depth and breadth of driver and vehicle content and related searches, with access to one of the most comprehensive vehicle history databases of public and proprietary sources
- Unparalleled client support and training, with 24/7 customer service, technical support and search assistance; individual or group training
- A "My Account" function that allows system administrators to easily manage employee access, change passwords, retrieve invoicing and activity reports, and set search functions, preferences and company security restrictions

The Accurint for Insurance, Carrier Discovery and Claims Discovery services are not provided by "consumer reporting agencies," as that term is defined in the Fair Credit Reporting Act (15 U.S.C. § 1681, et seq.) ("FCRA") and do not constitute "consumer reports," as that term is defined in the FCRA. Accordingly, the Accurint for Insurance, Carrier Discovery and Claims Discovery services may not be used in whole or in part as a factor in determining eligibility for credit, insurance, employment or for any other eligibility purpose that would qualify it as a consumer report under the FCRA. Due to the nature of the origin of public record information, the public records and commercially available data sources used in reports may contain errors. Source data is sometimes reported or entered inaccurately, processed poorly or incorrectly, and is generally not free from defect. This product or service aggregates and reports data, as provided by the public records and commercially available data sources, and is not the source of the data, nor is it a comprehensive compilation of the data. Before relying on any data, it should be independently verified. LexisNexis and the Knowledge Burst logo are registered trademarks of Reed Elsevier Properties Inc., used under license.
