

MOBILE SOLUTIONS FOR INSURANCE BUSINESS

Damco is experienced insurance mobile app solutions provider that enables insurance providers to close sales, allow policyholders to manage policies & file claims from the convenience of a mobile app, quicken underwriting operations, all while engaging the customers at a deeper level.

INSUREGO

InsureGo app provides customers round the clock access to their information. They can self-service their policies, update contact information, view policy coverage & benefits, make payments, report a new claim, manage notifications among other available features. App fulfills the need of your business to adapt digital strategy to meet the fast-paced demands of today's consumer. Customer & prospects can access your company information anytime from anywhere, giving you a wider branding opportunity.

InsureGO comes integrated with InsureEdge and BrokerEdge, and could be integrated with any other Insurance system as well.

Benefits of InsureGo app are:

-  Servicing Customers and Prospects Together
-  Simplifying Claims Processing
-  Enhance Sales Effort
-  Instantly Generate Quotes for Customers
-  Enhanced User Experience
-  Minimum Time-to-Market
