Building Claims

Get ahead of your property claims, get your policyholders back on track

www.in4mo.com

www.in4mo.com

Ready for collaboration

- Your own partner ecosystem to act on your behalf
- Clear workflow & milestones for fast claims resolution
- Consistent reports for quick compensation decisions

Built for transparency

- Accurate cost calculation for fair claims compensation
- Dedicated policyholder portal so your customers know what's going on
- Log of all docs, chat, and activities for future reference

Optimized for results

- Mobile reporting for faster feedback from damage sites
- Case automation to free your team to focus on the most important cases
- Budget approval to stay in control of the claims cost
