

HOW CANCER EXPERT NOW HELPS

EMPLOYEES & FAMILIES

Employees can have peace of mind knowing: if they or their families experience cancer, you have them covered. Cancer Expert Now helps

- Identifying risk, education & prevention
- Access to the top cancer experts in the world for second opinions
- Full clinical advocacy and coordination, *detailed* pricing for treatments and facilities
- Clinical trial search and enrollment, as well as other programs designed to ease the financial burden
- Palliative care support with the goal of recovery
- Social-emotional support, transportation and life-balance

Cancer Expert Now improves prevention, stewards survivorship and ensures your employees have the best possible outcome. An added benefit: it's also good for your business.
