Company Background:

- NexClaim Recoveries is a privately held, national healthcare subrogation firm that specializes in self-funded health plans.
- Formerly a division of Travelers, NexClaim has been independent since 1994
- NexClaim has recovered over \$200 million for its clients

Financial Benefits:

- NexClaim recovers 3-4 times the current results provided by the Carriers
- Increasing recoveries by 50 – 75 basis points
- Lower recovery fees than all national Carriers
- Results compound annually with immediate savings on all recovered cases
- 100% contingency based with no NexClaim fees for implementation or reporting

Ease of Implementation:

- Established data feeds with all national Carriers so no setup is required
- No involvement needed from HR/Benefits Staff
- Zero disruption to membership

Program Portability:

- Providing a single subrogation solution across multiple carriers
- Will not lose any future recoveries if there is a change in Carrier or plan members have multiple Carrier options upon open enrollment

Case Study

Fortune 100 company recovered \$442,000 in their 9th year of service with the previous vendor. In our first two years, NexClaim recovered \$670,000 and \$787,000 respectively. In the third year, \$2,100,000! To date, NexClaim has recovered more than 20 million dollars that wouldn't have been collected by the previous vendor.
